

**Your name:**

**Instructions.** Please assess a group member according to the categories below.

- You will be graded for the overall activity based on the quality of the feedback you give and the grades and comments you earn. Please be a productive group member and a fair evaluator.
- Your scores and comments are confidential.
- Rate your assigned member on a zero to ten scale, with ten being a high score indicating outstanding effort for the indicated category.
- Perform this assessment in the last 5-10 minutes of the activity.
